*A detailed discussion was held on the recent problem of vandalism at Mwnt Church. Cllr Clive Davies was congratulated on his hard work in raising nearly £30,000 through a very successful campaign on 'Go fund me'. After the discussion it was felt that the council did not need to contribute through a monetary donation, but rather through hardware, software, and expertise to help monitor and safeguard the church. The expertise of Cllr Peter Williams would be needed to advise the church on the best sensors etc to use as well as setting up the dashboard etc.*
